THE MAKING OF THE CARONTAWAN

What does "Carontawan" mean?
It's a Native American word roughly translated to "little town on a big hill." It was chosen in 1918 for the first class "annual" at Mansfield State Normal School.

What's the 2024 Carontawan theme?
“Out of this World!'

Is this the final version of the 2024 Carontawan?
No sir! We put together this "first version" of the book so that our community can order a physical copy to be on campus by the end of the semester. The "final version" will be made available to the community sometime in mid-summer when we finally complete it.

How come some organizations and people aren't in the book?
Our small staff does not have access to take every photo that's on the following pages. We've relied heavily on our community to send us photos of their year as well as photograph what we can. We've done our absolute best to include as many organizations as possible, events, and awesome people as we possibly could. Apologies to those we missed - make sure to check your email and contribute next year!

What's next for the Carontawan?
We are so incredibly excited to continue this process next year! However, some of our staff are graduating, while others have other commitments next year. We're hoping that the 2025 book will be a success, but we need a passionate staff to devote a lot of time to this project. It's so important for the Carontawan to record the life and times at MU so we don't lose our history and can look back on it fondly.

Wow, I want to record MY history. Can I help make the next Carontawan?
YES, we would absolutely love to have you on this team! The Carontawan is an amazing opportunity to get involved here at MU. Email us at carontawan@gmail.com OR contact us on Instagram @carontawanmu to get in touch!

Now what?
Explore the book! We've constructed a snapshot of what our 2023-2024 experience meant to us and those who contributed. We hope it sparks some wonderful memories of your year(s) at Mansfield.

Editor's Note

Dear Mansfield University Community,

As we turn the pages of another academic chapter, it is with immense pleasure and a touch of nostalgia that we present to you the 2024 edition of our university yearbook. This collective endeavor captures the dynamic spectrum of experiences, achievements, and personal growth that define our shared journey.

Within these pages, beyond mere photographs and names, lie the essence of our university – the shared laughter in lecture halls, the bonds forged during late-night study sessions, and the victories celebrated both on and off campus. The stories encapsulated here mirror the spirit and resilience that make our community truly exceptional.

This yearbook is a salute to the diverse talents that grace our university. From academic triumphs that push boundaries to artistic expressions that spark our collective imagination, each contribution enriches the mosaic of our shared experience. It is a celebration of the countless hours invested, the obstacles overcome, and the friendships that have blossomed along the way.

As we peruse these pages, let us recollect the moments that define us – the triumphs and setbacks, the personal growth, and the self-discovery. This yearbook is a time capsule, preserving the memories that forever bind us together as members of the Mansfield family.

To our graduating class, this yearbook symbolizes not only your time here but also the impact you've made on our institution. For our returning students, may it serve as a reminder of the extraordinary community to which you belong and the potential that lies ahead.

Our deepest appreciation goes to the dedicated yearbook committee, whose tireless efforts have brought this publication to fruition. Their commitment to preserving our shared narrative shines through on every page.

May this yearbook be a source of inspiration, reflection, and pride. Here's to the memories we've crafted, the bonds we've formed, and the promising horizons awaiting us all.

With warmth and gratitude,

Lauren Cimino
Editor-in-Chief

FACULTY AND STAFF

A Message from Our President

As we close the 2023-2024 academic year, we have much to celebrate. Commonwealth University remains focused on providing students with opportunities to thrive in and out of the classroom. The talent, goals, and motivation of our Mansfield community continues to inspire me. Mansfield students are making a real difference in the world, across a number of fields and professions. Mounties—you have a lot to be proud of. As we approach another commencement, know that the entire Commonwealth University community is rooting for you and believes in the greatness you will surely go on to achieve. As I think about education, and the power it has in our lives, I think about the opportunities that meet us along our journey.

Dr. Hanna, President

At Commonwealth University, we've been intently focused on creating new opportunities for students to succeed and achieve their career goals. Universities exist to transform the lives of students—to impact positive change in their lives and position them for future success. That is my hope for each Mansfield student—that your university experience and education will forever serve as a foundational force in your life, one that has allowed you to go into the world and make a difference through a profession that harnesses your gifts and abilities. Perhaps what's most striking when considering the transformation Mansfield has is that this process of evolution is not new to our institution. In fact, taken together with our mission of serving students and placing their needs at the center of all we do, it may be the one constant in our history.

As we have boldly reimagined public higher education in Pennsylvania in order to continue the legacies of our centuries-old universities, there is much to learn from examining our history. A lot has changed in the world and in the ways we deliver and experience education. But innovation, progress, evolution—those have remained central to who we are. Our highest aspiration as educators has always been to change lives. To make a difference. That's the power of education.

The Mansfield community has long shown great resilience and leadership through the changes the institution has experienced. I'm inspired by the dedication of the Mansfield family—they have shown tremendous commitment to the Mansfield community and its students while remaining intently focused on building a strong future for future generations of Mounties. As we approach our upcoming Commencement celebration, I encourage you to take time to reflect on your own Mansfield experience and the individuals who have served as transformational change agents in your life.

Thank you to the staff of the Carontawan and their advisor for all of the hard work and effort that has gone in to creating this yearbook. Your commitment to the university is appreciated by many. To our students, thank you for choosing CU-Mansfield—you will forever be part of the Mountie family. To our seniors, we look forward to seeing you back on campus as alumni.

Sincerely,
Dr. Hanna, President

A Message from Our Provost

Dr. Diana Rogers-Adkinson, Provost

Dear Mansfield Students, Faculty, and Staff

Another academic year at Mansfield has come to an end. I am filled with pride and gratitude for all of our shared achievements. Our Mansfield students are talented, driven, and resourceful. The pages of The Carontawan are a testament to the dedication and commitment our students have shown to their academic pursuits. These qualities will serve you well in the future as you enter your professional careers.

To our graduating seniors, congratulations on reaching this significant milestone in your academic career. Take time to reflect and think about how far you have come while dreaming about all you have ahead of you. Your hard work, perseverance, and creative curiosity have prepared you to make a positive impact on the world. As you embark on the next chapter of your journey, I urge you to carry with you the values of integrity, excellence, and compassion.

To our returning students, faculty, and staff, thank you for your unwavering commitment to advancing knowledge, fostering innovation, and serving our broader community. Your contributions enrich the fabric of our university and inspire us all to reach greater heights. As we reflect on the past year and look ahead to the opportunities and challenges that await us, let us continue to uphold the values of diversity, equity, and inclusion that are fundamental to our mission. By embracing our differences and working together with empathy and respect, we can create a more just and equitable society.

I extend my heartfelt appreciation to the Carontawan staff and committee for capturing the moments, memories, and milestones that define this academic year. Your dedication to preserving our university's legacy is truly commendable.

In closing, I encourage each of you to cherish the friendships, experiences, and lessons learned during your time at Mansfield. May the spirit of curiosity, discovery, and lifelong learning guide you on the journey ahead.

Warm regards,
Dr. Diana Rogers-Adkinson
Provost and Senior Vice President for Academic Affairs
